SCOUTING REPORTS

STONY POINT TIGERS

The Tigers have scored 111 points over the last three games after managing three in the opener.

Aiden Loyden leads the ground game at 107 rushing yards per game, while **Olamide Aroworade** averages 78.7 receiving yards. Stony Point has ways to move the ball. The question is whether it can get enough stops. **Justin Lubin** leads the defense in tackles, but the Tigers have surrendered 119 points over their last three outings, including 47 against Bowie.

Turning that offensive production into district wins starts with tightening up on defense.

ROUND ROCK DRAGONS

Round Rock has won three straight, scoring 49, 35 and 41 after an opening loss to Weiss. The Dragons feature **#17 Dylan Jaeger**, averaging 113.5 receiving yards per game, and **#24 Ryan Sirwaitis**, at 82.8 rushing yards per game. Jaeger has also found the end zone five times, giving the Dragons a proven big-play threat. Defensively, **#34 Jason Nold** averages 9.0 tackles per game, while **#9 Ford Lucas** has three sacks. Round Rock enters district play after piling up 531 yards in a 41-38 road win over Vandegrift.

PLAYERS TO WATCH

Aaden Pemberton, DB

Two picks and a house call fueled Pemberton's breakout against Waco—and earned him a spot on the Austin-area Week 3 honor roll.

Da'Shun Jones, DL

At 6'4", Jones is hard to miss. Against Hendrickson, he scored twice—once on his own blocked punt and once through the air.

Landon Boyd, WR

Boyd brings speed in a small package. He has 101 yards on six kick returns and ripped Bowie for 69 yards on two catches.

EARN YOUR STRIPES

The JV Tigers are 3-1, with production all over the field. **Kha'Ree Thorton** leads the team in touchdowns at quarterback, while **Aiden McGibney** keeps making plays. **Anthony Galindo** added five pancakes. Ends **Diego Gonzales** and **Eric Galloway** are piling up sacks, while **Jake Sullivan** has multiple tackles for loss. **Ben Patten** turned in his best defensive game yet: several tackles, multiple stops for loss and a fumble recovery he returned about 20 yards. **Walsh Middle School** is 3-0 heading into its bye.

Players of the Game: **Thorton** (JV Offense), **Xavier Baldwin** (JV Defense), **Eric Flores** (Offensive Scout), **Patten** (Defensive Scout), **Legend White-Thomas** (Freshman Offense) and **Torry Washington** (Freshman Defense).

STUDENT SECTION

Before the Tigers take the field, the student athletic trainers are already at work. They tape, prep, hydrate and keep supplies ready, then assist the training staff when somebody comes off the field hurting. It's demanding work with little spotlight – but on Friday night, they're part of what keeps the Tigers on the field and ready for the next snap.
